**RESPONSE TO NOTICE OF DRAWING INCONSISTENCY WITH
SPECIFICATION**

This is a response to the Notice of Drawing Inconsistency With Specification dated November 16, 2005.

The Examiner noted that Figure 10 is contained in the Drawings but not listed in the Brief Description of the Drawings in the specification.

Attached is a replacement section from the specification showing amendments made to the specification to include a brief description of Figure 10. The content of the brief description is taken from the specification portion that describes Figure 10 and consequently adds no new matter.
